Box of Books Frequently Asked Questions

What if I don't know my student's subjects yet?
Booklists are released early to allow parents/guardians to have additional time to create an account and preview the items. Subject confirmation is due to occur prior to our Headstart Program which commences in December.

What if I can't purchase the book/resource prior to the Box of Books recommended date in December?
Booklists are open and live all year and will therefore be open after Christmas and throughout January. Where possible, Box of Books request orders in December as it helps ensure publishers have sufficient stock so that all booklist orders can be filled on time.

Can I get a hard copy of the booklist, for buying my stationery from a local store?
Yes, you can access a printed copy of the booklist from any of our Mini School Offices or at the General Office (Reception). Alternatively, you can download a copy from our website, under the 'Learning' tab.

What if I don't have internet access at home?
Please contact the college on 03 5127 9200 and we will be able to assist you with gaining access to the booklists.

Can I still purchase second-hand books?
Yes. As per previous years, please ensure the second-hand book you are purchasing is still current on the new booklist.

What if my child doesn't want digital textbook(s)?
We have selected Box of Books as there is choice and flexibility in choosing a hard copy textbook, digital textbook, or both. This remains subject to what each publisher behind Box of Books (eg. Nelson, Cambridge, Pearson) make available, but in most cases, publishers are now offering both hard copy and digital versions of their books.

Do you take donations of second-hand books?
Yes, the college welcomes donations of any second-hand books that are on the **current** booklists. If you would like to donate any books, please drop off at the General Office.
