Message from the Principal

I'd like to begin this bulletin address by wishing our Year 10-12 students the best of luck with their mid-year exams. This is an important time of the year for students to consolidate their learning and seek feedback for further growth, ensuring the very best possible outcomes for their future years. As a common theme throughout each of my bulletin articles, I again wish to remind our student community of the need for persistence and hard work towards your studies. Success does not come without effort, and intelligence is not fixed. For our Year 12 students, there are only approximately 15 school weeks left, so don't wait until it is too late.

For parents and carers, I would like you to be aware of a recent decision made by Latrobe City, in conjunction with the Minister for Small Business, Innovation and Trade, Mr Philip Dalidakis. A half-day public holiday has been declared for both Thursday October 19 (Moe Cup) and Tuesday November 7 (Melbourne Cup), which unfortunately has the potential to become quite disruptive to our educational program for students here at Lowanna College. Staff and students will be required to attend school until 12:00 midday on both of these days, with the afternoon forming the half-day holiday. As we move closer to these dates further information about our school program will be communicated, but for now, please take note this information. Additionally, as previously communicated, please be reminded that Monday June 19 is a Student Free Day (report writing for staff).

Finally, approximately half of our Year 10 students have recently completed their Work Experience placements, with the remainder of the cohort scheduled to complete theirs in Semester 2. I trust that our students proudly represented the College and made the most of their opportunity to spend time in the workforce.

Take care, and enjoy the long weekend with your family.

Acting Principal
