

Rationale:

The wearing of a school uniform helps develop pride, a sense of belonging and identification. The Lowanna College Council has adopted a compulsory student dress code within Department of Education and Training guidelines.

Aims:

- To have a uniform that is practical, available, affordable, and non-competitive in choice with a clear College identity.
- To encourage students to develop pride in their appearance and prepare for expectations in the workplace.
- To enhance the profile and identity of the College and its students within the wider community.

Implementation:

1. Parents and students will be provided with a copy of this Uniform Policy upon enrolment.
2. Parents and students sign a 'Student Enrolment Agreement' upon enrolment. Agreeing to adhere to the College Uniform Policy forms an integral component of the 'Student Enrolment Agreement.'
3. All students are to wear correct College uniform at all times, including travel to and from school and at all College events, unless otherwise instructed.
4. Parents are invited to discuss any cases of special need or financial difficulty with the College Principal or Business Manager.
5. The college operates a uniform exchange system, whereby students who attend the college out of uniform will be required to exchange their non-uniform clothing item for a uniform item. A range of sizes are provided, and all items are cleaned following each wear.
6. The college aims to support all students and families to access the correct uniform. The uniform exchange provides an opportunity to identify issues proactively, and offer relevant support to students and families.
7. Where there are problems with the fit of a uniform item, families must contact the college, where a custom-tailored item can be organised via the supplier.
8. Non-compliance with the uniform policy will be treated with a range of graded consequences as per the College Behaviour Management Policy and Procedures.
 - a. Out of Uniform 'notes' from home are not required (nor accepted), as the College has the provision to provide a uniform item in exchange, when the student arrives at school.
 - b. Students who refuse to exchange their item and wear the college uniform appropriately will receive an after-school detention. A parent meeting may also occur.
 - c. Subsequent refusals will result in a parent meeting at the College to understand the issue and to work collaboratively to resolve the issue. In line with Points 1-3, enrolment may be reviewed if adherence to the uniform policy is refused.
9. College Uniform items:
 - a. Students may choose from the following items detailed in Appendix A. No clothing or footwear other than those listed in Appendix A is permitted.

- b. Except for Year 12 jackets, Year 12 polo shirts, Lowanna Headwear and the Navy Puffer Jacket, all uniform clothing items are available from Beleza School Uniforms, Shop 26B George Street Moe.

Evaluation:

This policy can undergo a minor review at any time, with a major review as part of the College's three-year review cycle.

This policy was last ratified by College Council on 20 July 2023.
