

7 November 2025

Dear parent/guardian,

Lowanna College is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Maintain excellent buildings and grounds – including new outdoor seating, shade sails and recreational spaces.
- Refurbish the canteen and build the Café space providing our students with healthy eating options. In 2025 the College was awarded a Healthy School Achievement Program accreditation.
- Provide quality materials to support all students.
- Purchase equipment for both classroom and outdoor education programs.
- Auditorium lighting and sound.
- Student Wellbeing Support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Julia Niamh
Acting College Principal

David Osborne
School Council President
