

Subject: Ordering your child's 2023 resources with Box of Books

Dear Parents and Caregivers,

We are pleased to announce our continued engagement with Box of Books for the provision of digital and physical education resources for the 2023 academic year. Our school booklists are now open for you to complete your order. To ensure you receive your physical items in time for the start of the school year, please place your order **by Friday, 9 December 2022**.

Some families may already have the school prescribed texts in hard copy, either through siblings who have completed the subject in an earlier year, or through the purchase of the text separately to Box of Books. Where this is the case you will still need to have your student provisioned for the digital version of the text on Box of Books and this can be purchased for a discounted cost.

It is important to note that if your child does not have the digital version through Box of Books then they will not have access to all the additional resources and enhancements made to the texts by the class teachers.

Box of Books looks forward to supporting your students' learning through their world leading digital platform and 100% COVID safe delivery service for texts and physical resources for school families.

Steps to order:

1. Visit [Box of Books Shop](#) to log into your existing parent/guardian account or create a new account if it is your first purchase.
2. Add each student, including school email is possible, and nominate school and year group
3. Select the items you wish to purchase from the booklist shown
