MISSION

The Lowanna College mission is to create a positive learning environment that fosters collaboration and cooperation with shared and high expectations of success. The community collectively supports and fosters learning growth with shared responsibility for the development of our students. We strive to develop young people who have the skills and knowledge to be valuable contributors to the wider community and society in general.

OBJECTIVE

The Lowanna College motto is Broader Horizons.

Lowanna College operates under seven principles which ensure the college continually strives to achieve its vision. These principles collectively describe a philosophy for continuous improvement, in the pursuit of outstanding student achievement.

- A student-centred organisation
- A team based organisation
- Learning organisation
- Positive behaviour
- Collaborative approach
- Evidence based
- Flourishing culture

Our educational philosophy is underpinned by high quality classroom practices and teaching actions across the College.

The following statements underpin our philosophy

- We believe outstanding teaching produces high quality learning outcomes.
- A welcoming, safe, and orderly learning environment is a precondition for successful teaching and learning.
- Students develop responsibility for their own learning, progress and behaviour. This occurs when all learners are engaged with differentiated and challenging learning.
- We create confident, resilient, reflective and independent life learners.
- Lowanna College fosters authentic respectful relationships so learning is enjoyed and students may achieve their full potential.

Our school's objectives are considered as part of the four yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Respect: We respect ourselves, each other and our community. We get along and support each other.

Integrity: We make good choices, do the right thing and are fair and just in our decisions and behaviours.

Determination: We work hard to achieve our goals, and we show strong resilience in the face of adversity

Growth: We pursue lifelong growth in both our learning and character, and we support that of others.

Excellence: We aim high, don't settle for second best, and celebrate our achievements.

BEHAVIOURAL EXPECTATIONS

Lowanna College acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.

Staff have a range of expectations around behaviour and must follow our school and Department policies and the Victorian Public Service Code of Conduct and Values. Teaching staff also adhere to the [Victorian Teaching Profession Code of Conduct](#).

Students are supported by school staff to meet expected standards of behaviour as outlined in our Student Wellbeing and Engagement Policy, Inclusion and Diversity Policy and Bullying Prevention Policy.

Information about the expectations on parents and carers to ensure schools remain respectful and inclusive places is outlined in the Department's [Respectful Behaviours within the School Community Policy](#) and our Respect for School Staff Policy.
