Acting College Principal: Mr Trevor Cox

Paul Fry (Wellbeing Leader)- Paul has been working at Lowanna College since the beginning of 2020 in the role of Wellbeing Leader. Paul has had various leadership roles working in family support, adolescent health, youth work and early childhood as well as managing his own private practice. He has formal post graduate studies in adolescent health and is due to complete his Master of Social Work in November 2024. Paul enjoys working with our students and helping them to achieve great outcomes in the face of adversity. In the future, Paul is keen to work with young people who have been involved in the criminal system and support them to take a more positive path in their lives.

For fun, Paul enjoys getting away to Melbourne, watching the footy and spending time with his two adult children.
