

Preventing and Addressing Racism in Schools Policy

Racism is not tolerated at Lowanna College

Lowanna College is committed to fostering a welcoming, inclusive environment where racism is not tolerated. Racism harms students' mental health, learning and sense of belonging. We celebrate the diversity of cultures, ethnicities and faiths of all our students. It is up to all of us at Lowanna College to make our school a place that is free of racism and where everyone feels respected and can learn in a safe and inclusive environment.

What Lowanna College is doing to prevent racism

Lowanna College follows the Department of Education's [Preventing and Addressing Racism in Schools Policy](#). We are building a culturally safe school with inclusive learning for everyone by working with staff, students, families, carers and communities. We will:

- provide programs that teach about and celebrate diversity, inclusion and the impact of racism to build understanding and empathy.
- use practices that support all students to thrive.
- implement anti-racism efforts to prevent and address racism effectively.
- make sure everyone feels safe, with clear and accessible pathways to report racism.

What to do if your child experiences or witnesses' racism at school?

If your child experiences or witnesses' racism or religious discrimination at school, please let us know. You can tell any staff member at the college, including but not limited to your child's teacher, the relevant Mini School, the Wellbeing Team or Julia Niamh, Acting College Principal.
